McKinney Advisory Group's November 2012 Mixer raises over \$10k for Four Local Charities

SAN DIEGO, CA - McKinney Advisory Group, the San Diego-based tenant representation firm, announces that the firm's Annual 2012 Mixer raised over \$10,000 for four local charities. McKinney Advisory Group hosted the charity mixer for San Diego Business Leaders on November 28, 2012 at the beautiful Grand Del Mar Resort. Four local charities were highlighted and each guest was presented with a \$100.00 voucher as McKinney Advisory's contribution to their charity.

Other companies instrumental in making this event happen were The Grand Del Mar, Torrey Pines Bank, Allenbrooke Insurance and McKenna Long & Aldrige, all of which sponsored the event.

The event was a grand success as the charities; American Heart Association, A Reason to Survive, Kids Included Together, and Father Joe's Village mingled with companies such as Qualcomm, Sharp, Transpower, SDDT, San Diego Chamber of Commerce, Internet Bank, and others.

Commenting on the event, Damian McKinney, Founder and Chief Executive Officer of McKinney Advisory Group, said "We are extremely proud to make a donation of over \$10,000 to these charities. This venue and evening gave a platform for the businesses to learn more about the charities, their missions, and their impact in San Diego. Many great partnerships were made and we look forward to continuing this tradition for many years to come."
